Game Details: Welcome to the “Banished” for Mac game page This page contains information + tools how to port Banished in a few very simple steps (which even a noob can understand) so you can play it on your Mac just like a normal application using Crossover.. What is Banished?Welcome to the world of Banished! In this city-building strategy game, you control a group of exiled travelers who decide to restart their lives in a new land.. But necessities have a price—Cutting down forests reduces the deer population you can hunt.. However, sustainable practices must be considered to survive in the long term Banished is a city building game where you control a group of exiled people who are restarting their lives in the wilderness.. They have only the clothes on their backs and a cart filled with supplies from their homeland. b0d43de27c [Aluratek Software Update](#)
