DESIGNED FOR SLEEPING

Thigh-high design for whole leg compression therapy.

- Scholl Compression Stocking thoroughly supports your leg with low compression levels
- The ankle area is designed flat, making it suitable for sleeping positions
- Lavender colour facilitates sound sleep
- Open toe design helps to release heat during sleep
- Made of cotton to provide comfort

*Hectopascal (hPa) is a metric (SI) measurement unit of pressure.

How to wear: Take off rings and make sure your finger nails are smooth and not sharp. Compression stocking might be tight, slip in slowly by gently pulling it up little by little.

Recommended Use

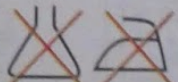

- Wear stockings before going to bed and remove them the next morning.
- New users may feel uneasy due to the compression. If discomfort persists, take them off and try again the following day.

Cautions

1. Not to be used by patients with severe circulatory disorder.
2. Consult your doctor before use if you are suffering from diabetes, deep vein thrombosis, blood circulation problems, congestive heart failure, any inflammatory diseases or nervous problems along the lower limbs, or if you are currently under medical treatments for the above diseases.
3. Please note the followings when using the product:
 - a. Avoid using socks of unsuitable sizes or wearing 2 pairs of socks simultaneously.
 - b. Socks in use should not have folds, creases or feel loose.
 - c. The stitches at knee section should be smooth and without creases. Avoid folding it outwards; materials should remain smooth when in use.
4. Discontinue use and remove stockings if you experience excessive discomfort, pain, irritation or rash.

Care Instructions

- Wash with cold or warm water as per laundry label.
- Place stockings inside laundry bag for machine wash.

Note:

- Do not wash with coloured clothing. Avoid using dryer or iron to prevent damage.
